YEAR WARRANTY

# GC2 & GC4 GLYCOL CHILLER

Produce consistent beers every time with accurate temperature control of up to two or four fermenters with the **GC2** or **GC4** Glycol Chiller. Compatible with the Grainfather App, you can control multiple fermenters at different temperatures from anywhere!

## FEATURES

- Offers heating and cooling control and power for up to two fermenters with the **GC2**, or four fermenters with the **GC4**
- Different fermentation temperatures and schedules possible for each fermenter
- Sleek and compact design with LED control display
- Compatible with the Grainfather App when connected to **G** SERIES fermenters or the **GCA** Glycol Chiller Adapter to manage your fermentation through Wi-Fi
- Use with the **GCA** to connect Grainfather **S** SERIES fermenters or most other fermenters
- Backed by a 3-year warranty
